

# **Alberta Federation's 2015/2016 President's Report**

Canadian Square and Round Dance Society

Regina, Saskatchewan

**July 30<sup>th</sup>, 2016**

We have had a good year. Our membership increased some.

Our past Convention 2015 that was held in Lacombe, AB was a great success. A highlight was to have the Canadian Society Directors, who we were all pleased to meet and have them present the Award of Excellence to Loretta and Norman Demeule. The Demeule's are Alberta's representatives to the Canadian Society.

We have worked our way through 25 to 30 boxes of 'square dance stuff' that have been taken to the Archives and Museum in Red Deer, Alberta. There is still more work to be done that we will undertake to finish off this coming summer. The folks at the Archives are very helpful to us.

Three new members will be added to our executive this year: Calgary Callers Association, Calgary Dancers Association and Central Dancers Representatives.

The campouts in Alberta are now going on and we are pleased that the attendance at these dances has held very steady over the years. There are several special dances planned for this summer and we hope they will also be well attended.

The 50 year Anniversary of Alberta Federation Conventions is in 2018. Plans are underway for the Federation to host this special Convention in September 2018.

Happy dancing to all!

Respectfully submitted,  
Wayne and Helen Lowther  
AB Federation Presidents
