

REPORT FROM ALBERTA SQUARE & ROUND DANCE FEDERATION

There has been some changes in the executive for Federation. We are happy with our new Reps.

We have a new web-master Olive Zwierschke and she is in the process of revamping and updated our web-site. This will be all be done by fall.

The membership has dropped a bit this year. We are pleased that the membership program has changed and is much better.

Federation does not have seven active zones as this as dropped to four zones. Lack of dancers, and dancers getting older is the reason for this.

Some of the zones have casino funds and are very good at assisting the clubs with funds to keep the clubs going. They are paying rent, advertising, callers and transportation.

The Provincial Convention has been going for 47 years and the 48th is already in the planning for 2016. Calgary and District are the hosts and will hold the convention in High River on Labour Day weekend.

Federation has a good working relationship with the Society Rep. Norm & Loretta Demeule. and they are very good at keeping us all updated as to what is happening with Society..

We are looking forward to being in Regina for the 2016 National Convention and we are hoping they exceed their expectations.

As President Couple we have attended many functions this past year and will continue to do so for the rest of the year.
