Membership Report to AGM 2015 Updated, August 6, 2015

All provincial representatives to CSRDS Membership have continued to be excellent ambassadors for their provinces from the time I began dealing with them in December of 2012. This knowledgeable group of people has made the role of Membership Chair a rather enjoyable one. Many thanks to all.

Membership application forms and instructions were forwarded to Provincial Representatives on July 27th. I spoke with the insurance representative on August 6th. Unable to discuss rates so far in advance, he was confident that the insurance rates would remain in the same range for 2016.
