Outreach Report for the CSRDS Annual General Meeting - July 20th, 2018

The Outreach Committee makes contact with former Board of Directors, present Board of Directors, etc. via cards relating to congratulations, illness, sympathies, etc. This past term we have passed along three such cards. The Outreach Chair obtains this information usually from the present Board of Directors. We have enjoyed working on this Committee.

Respectfully submitted,
Laurie and Wilma Illsley
Outreach Chair

Toll Free Line Report – July 20th, 2018

Janet Mills and I have been continuing to connect each month. With this last connection, Janet informed me that she will have to resign from this position of responding to the Toll Free Line. Due to health issues, Janet and her husband are no longer square dancing. Janet informed me that she would continue until we are able to 'find' someone to take over her task.

At our last Teleconference in June 2018, a motion was made to discontinue the Toll Free Line as the number of calls per month has declined immensely.

Following this convention, I will make the necessary contacts to cause the Toll Free Line to be discontinued.

Respectfully submitted,
Lorraine Kozera
