

In Memoriam July 2018

It is with saddened hearts that we once again take time to think of those in our dance community who have passed away since our last meeting: the dancers, callers, cuers, leaders; all who have brought joy, laughter and comfort into our lives.

Thank you God for the times we have shared. There is a chorus of a Christian song that says: "Break free and dance in His love." I think we do dance in that love. May we remember that love, shared by those dancer friends who have gone and share that love with all those we dance with; in our clubs, at this Convention, and everywhere we meet fellow dancers.

We will miss you dancer friends, but will remember all those good times we shared with you and cherish the memories and the things we have learned about dance and about life through having known and danced with you. We now pray that God will be with those who have gone and with us as we continue on this dance that is life and this life that is dance.

Precious ones from us have gone

Voices we loved are stilled

A place is vacant in our hearts

Which never can be filled.

We miss the feel of your hand on ours

Your voice and your laughter too,

But always to us will belong

Our great memories of you.

Please stand for a minute of silence in memory of our dancer friends and relatives who have passed this year.
