

Manitoba Square and Round Dance Federation Report

For

Canadian Square and Round Dance Society AGM

September 7th 2019

Greetings from the MSRDF:

Our return to the square dance world after retirement has been very fulfilling for Yvonne and I. Last fall the Paws and Taws Club of Winnipeg celebrated their 65th year of existence and this fall we will be presenting certificates to two more clubs with similar years of dancing. These events are certainly well attended.

The Federation continues with the fall Come Together Jamboree which highlights all of the Manitoba Callers and Cuers. But the current clubs struggle for survival with the membership gradually declining largely due to the health and age of the remaining diehards. A swing in the other direction would be most welcome.

We look forward to the new dance season and hopefully see some new dancers across the square.

Regards,

Del & Yvonne Marks

President couple, MSRDF
