

## Treasurer Report

### CSRDS AGM 2019

The annual statements are attached. It should be noted that the net revenue for the year ended June 30, 2019 is \$19,530. Budget for fiscal 2020 is net of \$753 due to projected meeting expense costs for the current fiscal period. Income from festival has been adjusted to reflect change in Society share.

The transfer to the royal bank of all banking is almost completed. One check is still outstanding.

I have also developed a simple expense form to be used. I will bring copies with me to the meeting.

The books have been reviewed by an accountant.

Respectfully submitted
