

## **CSRDS Membership Report for July 2022**

Since no dancing has occurred over this past year, there is no report for membership numbers. However, all members are covered, for liability insurance, according to the decision that the CSRDS executive made in the July 2021 meeting that the CSRDS would continue to cover the cost of the insurance premiums for the 2021-2022 dancing year (2022 calendar year for the insurance period).
