

## Honours and Awards Report 2023

I had no requests for awards this year. I did assist a couple of directors with milestone awards. Also Garry Dobbs has been working on certificates for Dave Western and his team for there work on the Socan agreement.

## Out Reach Report 2023

I sent out a few cards this past year. Unless someone informs me it is hard to know when a card needs to be sent. What info I do get is usually from social media.
