

Federation of Dance Clubs of New Brunswick, Inc. Canadian Square & Round Dance Report 2023

With the return to normal, all clubs commenced their dancing season in full swing, as the dancers and callers/cuers were anxious to get dancing. Some clubs saw a slight decrease in members at the beginning, but as time progressed members returned to enjoy continued fellowship and evenings of dancing.

Our dancing season ended with the Distinguished Service Awards dance, hosted by Town & Country Squares, St Stephen. This years award recipients were Frank and Sharon McCallum, Town & Country Squares, and Rheal and Isabelle Fournier, Country Cousins.

Not all clubs held special dances, but the famous Strawberry Dance made a huge comeback. This dance was hosted by the Washademoak Swingers at the end of July. An impressive 8 squares were on the floor dancing/swinging to Terry Hebert, caller/cuer.

There are still special dances ongoing throughout the summer. The information can be found on our website at www.squaredancenb.ca.
