

## **Report for CSRDS AGM Meeting – July 17, 2026**

### **Saskatchewan**

All clubs have concluded their seasons and some clubs were encouraged by the number of beginners and the potential for growing their clubs. The main activity over the summer 2026 will be the annual Mainstream Square and Round dance weekend June 18 to 20 preceded on June 17 by an evening of rounds at the famous Danceland at Manitou Beach. There will be a good contingent of Saskatchewan dancers, callers and cuers at the National Festival in Penticton in July.

This year's Federation weekend will be in Regina October 23-24. Last year's Federation weekend in Swift Current was very successful with the participation of a sizable number of dancers and callers and cuers from Alberta. The Saskatchewan Federation is considering a different approach to Federation weekends going forward.
